Excepted Benefits HRA

Eligible Expenses

The following is a general listing of the eligible expenses covered under your Plan:

- Dental – Expenses due to the prevention and alleviation of dental disease. Preventive treatment includes the services of a dental hygienist or dentist for such procedures as teeth cleaning, the application of sealants, and fluoride treatments to prevent tooth decay. Treatment to alleviate dental disease include services of a dentist for procedures such as X-rays, fillings, braces, extractions, dentures, and other dental ailments. Anything considered cosmetic is not a covered expense.
- Vision – Expenses for treatment of the eye (i.e. prescription glasses, contacts, exams, office visits, etc.)
- Long-term care benefits
- Nursing home, Home health, Community-based care
- Coverage limited to a specific disease or illness
